

## **TRACIE MARTYN RESCULPTING BODY TREATMENT®**

THIS EFFECTUAL, NON-INVASIVE, INNOVATIVE APPROACH TO IMPROVING THE APPEARANCE OF CELLULITE WAS FEATURED IN A VOGUE COVER STORY AS THE PREMIER CHOICE FOR SUPERMODELS AND CLIENTS IN THE ENTERTAINMENT INDUSTRY WHO ARE CONSIDERED ROLE MODELS FOR FITNESS AND BEAUTY. ESPECIALLY EFFECIVE ON BUTTOCKS, THIGHS, WAIST AND HIPS. THIS SERVICE IS AN IDEAL ALTERNATIVE TO MORE AGGRESSIVE ANTI-CELLULITE PROTOCOLS, AIMED AT DEFYING GRAVITY AND IMPROVING ELASTICITY IN OTHER AREAS AS WELL SUCH AS ARMS, AND USING THE SAME PROPRIETARY TECHNOLOGY. IT IS OFTEN COMBINED WITH THE RESCULPTING FACIAL® FOR A COMPLETE REGENERATIVE AND RESTORATIVE EXPERIENCE. QUICK, YET GENTLE AND RELAXING, THE RESCULPTING BODY TREATEMENT® LEAVES THE BODY BEAUTIFULLY SHAPED AND LIFTED.

*"It's like a face-lift for your derriere or whatever other part needs a boost (thighs, hips, tummy, arms)."*
